

Educating. Supporting. Caring

We are so grateful for your donation of \$ _____
to Rochester Hope for Pets in support of the 8th Annual
Dog Walk & Pet Education Expo!

Every day we receive phone calls from pet owners in the
greater Rochester area who are seeking financial
assistance to provide needed, but unexpected, veterinary
services for their pets. Your gift allows these owners to
properly care for their family pet, while alleviating some of
their financial stress. Through Duncan's Fund for Education,
your donations also allow Rochester Hope for Pets to
continue to provide education to veterinary professionals
and other animal care givers in our community.

*Rochester Hope for Pets is a not-for-profit organization. You
will receive a tax receipt in the mail within two-weeks after
the event on June 18th.*

Thank you for your support!
